

M M

The image shows a 10x10 grid of puzzle pieces. The pieces are white with yellow outlines. In the center of the grid, two letters are formed: a blue 'M' on the left and a pink 'M' on the right. The letters are composed of several puzzle pieces. The blue 'M' is located in the middle-left area, and the pink 'M' is located in the middle-right area. The entire grid is enclosed in a thin red border, which is itself inside a thin green border.
